

CAMMI

Community Association Managers of Marco Island

Sponsorship Opportunities

On Friday, August 25th, beginning at 8 AM, Property Managers from Marco Island and Naples will attend a ten hour “Continuing Education Day” being held on Marco Island.

To ensure CAMMI Associate Members have the opportunity to showcase their products and services, we have secured four of the eight sponsorship spaces offered by the Community Associations Institute (CAI) who is hosting this event.

These seminars are well attended, as Condominium Association Managers need these classes to meet their yearly education requirements.

The cost to sponsor is \$275.

As a valued sponsor, you will be publicized in our publications and on table cards. You will be able to introduce yourself and your company to the attendees. We will provide a 6’ table for your use. You may bring vertical banners and any handout material you wish to give. Sponsors and class attendees are in the same room and there are short breaks between classes that will provide additional networking opportunities.

Our sponsorship deadline is April 7th. Any remaining sponsorship spaces will be filled by CAI vendors. If you are interested in being a sponsor for this event, please contact Shari Fairchild at 239-389-0302 or email to info@cammi.org

CAMMI

Dedicated to furthering the profession of Community Association Management.
