

Open House and Tour of the

Marco Island North Water Treatment Plant
807 E. Elkcam Circle

is being held on March 7th from 9am-11:30am

We encourage you, your Board Members or any interested party
to attend this very informative event.

Closed-toed shoes and photo ID required.

If you have not taken this tour it is highly recommended.

Water quality and rates on Marco will be an ongoing issue due to the
financial magnitude of maintenance and ownership of this city utility.
