Community Association Managers of Marco Island

Open House and Tour of the

Marco Island North Water Treatment Plant  
807 E. Elkcam Circle  
Gate "C"

is being held on March 12<sup>th</sup> from 9am-11:30am

We encourage you, your Board Members or any interested party  
to attend this very informative event.

Closed-toed shoes and photo ID required.

If you have not taken this tour it is highly recommended.  
Water quality and rates on Marco will be an ongoing issue due to the  
financial magnitude of maintenance and ownership of this city utility.
